Re: Student Injuries and Insurance
2015-16 School Year

Dear Parent/Legal Guardian,

The safety of our students is one of our most important concerns. Even so, accidents do happen and resulting medical treatment (ambulance transport, surgery, hospitalization, etc.) can be very expensive.

Please know that the District does not assume responsibility for these costs. However, as a service to you and your child, your school has joined with 1,000s of others by offering you access to a low cost, voluntary purchase student accident/health insurance program. The program is endorsed by the Kansas Association of School Boards and is arranged and administered by Myers-Stevens & Toohey & Co., Inc. a firm that has specialized in such coverages for 40 years. Details and an enrollment form are in the accompanying brochure. Please read it carefully.

Several plans are offered and rates for the entire school year start at around \$16 (*Dental Accident Plan*). You can limit coverage to school related injuries only (including sports) or opt for 24/7 protection. Also offered is a *Student Accident and Sickness Plan* (recommended if your child has no other health insurance). Whether your child currently has no other coverage or you want to “fill in the gaps” in other insurance, you will probably find an option to fit your needs.

While you can seek care from any doctor or hospital, you’ll also have access to an extensive network of medical providers with discounted charges. Seeking care through contracted providers may further reduce your out-of-pocket costs, particularly if your child needs surgery or hospitalization.

To enroll, complete the enrollment form in full, select the plan(s) you want for your child, enclose the proper premium using a check, money order or credit card, seal and return as directed on the form. While your child is eligible to enroll at any time, you are encouraged to consider early enrollment to get maximum value from the plan(s) selected.

Note - Once processing is completed, an ID card verifying coverage will be mailed home to you.

If you have any questions, please call Myers-Stevens & Toohey at (800) 827-4695. Bilingual representatives are available for parents who need assistance in Spanish.

Sincerely,

Definitions

An **Accident** is defined as a sudden, unexpected and unintended incident. **Covered Accident** means an Accident that results in Injury or loss covered by this Policy. An **Injury** is defined as Accidental bodily harm sustained by the Covered Person that results directly from an Accident (independently of all other causes) and occurs while coverage under the Policy is in force. **Medically Necessary** is defined as the services or supplies provided by a Hospital, Physician, or other provider that are required to identify or treat an Injury or Sickness and which, as determined by the Company, are: (1) consistent with the symptoms or diagnosis and Treatment of the Injury or Sickness; (2) appropriate with regard to standards of good medical practice; (3) not solely for the convenience of the Insured Person; (4) the most appropriate supply or level of service which can be safely provided. When applied to the care of an Inpatient, it further means that the Insured Person's medical symptoms or condition requires that the services cannot be safely provided as an Outpatient. **Sickness** is defined as illness or disease contracted by and causing loss to the Insured Person whose Sickness is the basis of claim. Any complications or any condition arising out of a Sickness for which the Insured Person is being treated or has received Treatment will be considered as part of the original Sickness. **School Activities** means any activity that is sponsored and under the direct, immediate supervision of the School that: (a) the School requires the Insured Person to attend; or (b) is under the sole control and supervision of School authorities. It does not include an activity related to athletics or cheerleading that is under joint sponsorship or supervision arrangement with any non-School group.

Accident Plans - Non-Duplication of Benefits (Excess Provision):

In order to keep premiums as affordable as possible, these plans pay benefits on a non-duplicating basis. This means, if a person is covered by one or more of these plans and by any other valid insurance or health agreement, any amount payable or provided by the other coverages will be subtracted from the covered expenses and we will pay benefits based on the remaining amount.

Student Accident & Sickness Plan - Coordination Of Benefits

If a person is covered under the Student Accident & Sickness Plan and one or more other plans, and the order of benefit rules determine that this plan is not primary, benefits will be reduced so that combined benefits of all plans do not exceed 100% of the covered expenses incurred.

IMPORTANT NOTICE: If your child receives Medicare benefits, you must obtain a Medicare disclosure notice prior to applying for this insurance. Please contact our office for a copy of this notice.
